Orientation Program for MSc Nursing Students 2025-26

Date: 18th Sept 2025
Organized by: Ms. Nutan Kumari (Principal)
Mr. Vishal Adbale (Class Coordinator)
Venue: Multipurpose Hall, GACN

Introduction

The orientation program for the newly admitted MSc Nursing students was successfully conducted on 18th September 2025. The objective of the program was to welcome the fresh batch of postgraduate students, provide them with an overview of the academic and clinical expectations, and orient them to the vision, mission, and policies of the institution.

Objectives of the Program

- To familiarize students with the institution's philosophy, goals, and values.
- To introduce them to the academic curriculum, rules, and regulations of MSc Nursing.
- To provide information regarding clinical postings, research work, and examination patterns.
- To orient students towards professional conduct, ethics, and responsibilities as postgraduate nursing students.
- To encourage interaction between faculty members and students for better understanding and rapport.

The program commenced with a welcome address by Ms. Nutan Kumari (Principal) also highlighted the importance of postgraduate nursing education. Faculty members from different departments introduced themselves and briefly explained their areas of expertise. Detailed presentation was conducted by Mr.Vishal Adbale(Class Coordinator) of MSc Nursing curriculum, including theory, clinical practice, research dissertation, and evaluation methods. Discussion on academic calendar, teaching-learning strategies, internal assessments, and examination guidelines. Information regarding hospital postings, clinical rotations, and specialty areas of nursing practice were informed to the students. Brief session on the importance of research in nursing. Guidelines regarding dissertation, research ethics, and scientific writing were provided by Mr. Raghvendra N.S(Vice Principal). Orientation about library facilities, online resources, hostel rules, extracurricular activities, and student support services. Mr. Nikhil Thakur (Sr. Clerk) informed about the different scholarship and explained how to apply it online. An open forum where students interacted with faculty, shared expectations, and clarified doubts. Physical orientation to parent Hospital and affiliated hospital was planned on the second day i.e. on 19th September 2025 to Hrushikesh hospital, Sujata Birla Hospital, Nine pearls Hospital and Life care hospital of Nashik. Chairperson Mrs.Supriya Morey and Administrative officers of our college Mrs.Shital Gavli and Mr. Prakash Pandya motivated and encourage them for their postgraduate programme.

Feedback

Students expressed that the program was informative and motivating. They appreciated the clarity provided on academic and clinical requirements and felt more confident about beginning their MSc Nursing journey.

Conclusion

The orientation program successfully achieved its objectives by creating a positive and encouraging environment for the new MSc Nursing students. It laid the foundation for academic excellence, professional growth, and holistic development in the upcoming two years of their postgraduate studies.
