REPORT OF GUEST LECTURE ON ORGAN DONATION

07 AUGUST 2025

THEME: "ORGAN DONATION".

Organ donation is the process when a person authorizes an organ of their own to be removed and transplanted to another person, legally, either by consent while the donor is alive, through a legal authorization for deceased donation made prior to death, or for deceased donations through the authorization by the legal next of kin.**13 people die each day waiting for an organ transplant.** To register as an organ donor in India, individuals can pledge their organs through the National Organ and Tissue Transplant Organization (NOTTO), a government body under the Ministry of Health and Family Welfare.
